

Payment

I know first hand how valuable your hard earned money is. There are many ways we can do a payment plan for your upcoming birth services to make things easier. There is a \$300 fee due at the time of signing our contracts as a commitment fee. This ensures the commitment of the clients and reserves the date on the calendar. This fee is nonrefundable but goes towards the total price of your package.

Payment options:

- cash/etransfer
- Pay in full
- Split payment 4 ways
- Pay monthly until 38 weeks
- All packages are to be paid by 38 weeks

*Mileage & Travel:

Your package includes up 120km round trip travel from Tofield for your prenatal visit, labour and birth support, and postpartum visit(s).

If your location is more than 120km round trip from Tofield, additional mileage will be charged at \$0.73/km for the remaining distance traveled.
